Please visit us at www.infosys.com/consulting to find out more about how we go beyond the expected to deliver the exceptional.

To strengthen our Consulting team in Zurich we are currently looking for a dedicated and experienced

IT Strategy & Governance Consultant (m/f)

Your responsibilities

- Work with the CIO and CXOs (and potentially external customers) to define the key business imperatives that drive the direction of IT
- Structure and guide the process of translating business strategy and imperatives into an IT strategy and the corresponding transformation journey
- Define and lead the implementation of the IT governance using the appropriate frameworks and mechanisms including value frameworks and balanced scorecard
- Guide the assessment of the client's existing IT landscape and other IT assets to assess gaps and areas for improvement
- Design and implement Portfolio Management structures for IT projects, applications and services
- Develop and implement frameworks to measure IT value and effectively
- Determine the value of IT investments and develop plans for optimized value realization

Your qualifications

- Master university degree or equivalent qualification
- 7+ years of significant work experience in leading business transformation programs
- Profound experience in the assessment of IT Value and optimization of IT investments, IT Strategy planning and with the design of corporate IT organizations and governance frameworks
- Creative mind with strong analytical and conceptual skills to develop and present new ideas, approaches and solutions
- Predisposition to working in large, multinational environments with a clear client service delivery mentality
- Ability to inspire and convince others and to naturally build long term relationships based on trust and expertise
- Willingness to travel and an excellent command of both German and English

We offer you great opportunities within a dynamically growing consultancy. You will discover a truly global culture, highly dedicated and motivated colleagues, a cooperative work environment and interesting training opportunities. Innovative in your approach always thinking ahead - we love proactive self starters and we want you to come in, work your magic and bring in fresh ideas for us to work on. This sounds like you? We are looking forward to receive your application via www.infosys.com/consulting/careers/
